

Mahoning Valley Olde Car Club, Inc. presents
**OUR 41st ANNUAL CAR SHOW
 & FLEA MARKET** www.mvocc.com

SUNDAY, AUGUST 4th, 2019

9 am - 5 pm Boardman Park

This Year's Beneficiary - Harper Foley is a four year old military child from Ohio. She is courageously fighting a battle with Dravet Syndrome and needs our help. Harper had her first seizure at 3 1/2 months old. Dravet Syndrome is a rare, catastrophic form of Epilepsy that causes behavioral and developmental delays. 10-20% of children with Dravet are estimated to pass away before adulthood (mostly occurring before 10 years of age). There is no cure. Harper suffers hundreds of seizures a day; sometimes one seizure lasting 3 hours. Due to the progression of Dravet, Harper's medical treatment is constantly changing trying to find a combination that works to decrease the amount and severity of her seizures. A portion of the money raised plus donations will benefit young children.
