

July 2018 Newsletter of the Mahoning Valley Olde Car Club

July Meeting Saturday, July 7th at the Senior Center. Bring out the old cars and come out for a fun evening!

Preparations are ramping up for our **40th Annual Cars in the Park Show on Sunday August 5th!** This is a huge event for us this year. Please go out and start getting: Goodie Bag Items, Door Prizes, Chinese Auction items, and of course, we need members to go out and get ads for the show book. This book helps to fund the show, and future activities. Please, please, please try to go out and get new ads! Chinese Auction items can be brought to the Car Cruise or to the meeting on the August 7th. We are again asking that if you are bringing a Chinese Auction item to the set up meeting or the day of the show that you let Amy and Victor Suszynski know in advance. That way we can have them tagged and ready to go! If you are at a show, car cruise or car related event, please remember to take flyers to put in cars!

The Tuesday Cruise is having a Donation Cruise to benefit Leighton Bianco on **July 10th**. Leighton and her family will be at the July Meeting on the 7th. Please come out and help us support this event. We are going to need help with several events we will have going on that night. We are having a Chinese Auction and a 50/50 Raffle.
