

Mahoning Valley Olde Car Club, Inc.

NEWSLETTER – OCTOBER 2021

Saturday, October 2

This is the “CHILI” meeting including nominations and tour. It will be held at the Owsley Museum located at 1965 N. Ellsworth Avenue, Salem, OH. The building is on the corner of Routes 45 and 62 – across the street from the Dodge Dealer – and behind the Restore building. Plan to arrive around 5:00 PM. Members are invited to tour the two buildings. After the tour and after the meal, we will have our meeting.

This is called the “CHILI” meeting because members are invited to bring a quart of homemade, heated chili which will be added to the main pot. Please do not bring hot, spicy chili or frozen chili. Bring a dessert to share along with your place setting for the desserts. The Club will provide beverages plus bowls and spoons for the chili. Please come even if you prefer not to bring chili or dessert – you can enjoy the tour and participate in the meeting and the election process. *Remember to drive your old car, if you have one!*

Nominations: You are invited to run for any of the offices or nominate a friend. The jobs are not difficult but occasionally can be time consuming. Recovery from Covid brings new challenges that will affect the Club’s direction – new and creative ideas are needed to move forward. Current officers are willing to help any new officers. If you would like to help lead the Club through 2022, please consider running.

To add your name to the ballot, please call Lori Stape at 330-507-9321 or email her at lvstape@embarqmail.com, or contact any Board member. Candidates who have agreed to run for office will be introduced at the October meeting, plus nominations from the floor will be accepted. Ballots will be printed and enclosed with the November Newsletter. (See enclosed information sheet.)
