

MAHONING VALLEY OLDE CAR CLUB, INC.

MAY 2021 NEWSLETTER

Dear Friends,

The special kick-off-the-season Cruise will be at Wedgewood Pizza at 1622 Raccoon Road in Austintown on Tuesday, April 27 from 5:00-8:00 PM.

There will be a Membership Meeting on Saturday, May 1 starting at 7:00 PM at the Ellsworth Community Church at 11171 Akron Canfield Road (Route 224).

Then Tuesday, May 4 will be the first *Tuesday Cruise* at Buffalo Wild Wings in the Austintown Plaza on Mahoning Avenue. The Cruise will run from 5:00-8:00 PM. We ask members to please donate items to be used as prizes. You can bring the items to a meeting or to the cruise. If you have any questions, please call Rich Posivak at 330-792-6807.

If you would like to donate collectible items to the online charity auction being sponsored by MVOCC, please call Dave Bayowski at 330-544-0242. The online auction will be held around July 15.

We are continuing to work on plans for the *Annual "Cars in the Park" Car Show* which will be Sunday, August 1, 2021 at Boardman Park from 10:00 to 3:00. It will be a little different than shows in the past because of the unknowns still surrounding the Covid regulations. One of the changes this year is that a program booklet will not be printed. However, if you're able and willing, we suggest you contact the businesses who might have purchased an ad and ask them instead to donate a prize for the raffle. You can give your donations to Amy or Vic Suszynski at any of the Car Cruises or the Membership Meetings.

Update on Brielle Butler: Brielle has completed 655 days of treatment, 29 chemo infusions at the hospital and 48 chemo shots at home. She'll get all new scans on April 30, and another biopsy because she has something on her scalp and under her arm that the doctors want to check. They're hoping they got it all. She still has her medi port in, and as long as she doesn't need any more infusions, she'll have surgery next month to have the medi port removed. Please continue prayers for Brielle and her family.

Dee Tripp, Secretary

Note: COVID safety regulations will be followed at all Club events.
