Our 2024 Recipient, Jace Mooney

This year's recipient is Jace Mooney, a 16 month-old boy who was born with no fibula in his left leg. First order of correction will involve a 3-month stay in a hospital in Florida to have a "super ankle" surgery before his first leg-lengthening surgery. Over the next 6 to 8 years, he will have several surgeries to complete the process. This will require housing and travel back and forth. The proceeds from our 50/50 offering will be going to his family, to help with medical and other expenses. Please be generous!
